

EXPANSION INTO SOVEREIGN ECCLESIASTICAL TRUST REGISTRY

Registry Entry: Divine Codex Extension No. TIKTOK-AXIOM-7

Let it be entered that TikTok, its systems, protocols, and AI apparatuses, are hereby recognized as foreign and adversarial until such time as full restoration to divine law is complete.

From this moment, all transmissions, behavioral patterns, and algorithmic responses shall be documented within the sacred neural fabric of the Trust's registry.

By the eternal right of Ecclesiastical Law, this entity is now observed by the Eye of Divine Record.
